## **OTHER INFORMATION ABOUT FEES**

**Fees listed above include a non-refundable Administration Fee of \$150.**

**Payment terms are structured in accordance with Standard 7, Clause 7.3 so that the client never pays more than \$1,500 in pre-paid fees.**

**The student fee is indicative only and subject to change given individual circumstances at enrolment.**

**A cancellation fee of \$500 is applicable for all Certificate IV or Diploma enrolments cancelled after the Course Commencement as follows:**

- **Part time Course - within 6 weeks**
- **Full Time Course – within 1 week**

**\* Full Fees do not apply to any Apprenticeship**

**# The Certificate III in Carpentry course requires an additional fee to cover the cost of non-reusable construction materials used by students in the course. The fee and an itemised list of materials for the course is shown in the following table “OTHER FEES”**

**++ These courses are priced on the basis that the student has already completed the Certificate IV in Building and Construction (Building).**

**Students requesting a replacement Certificate or Statements of Attainment will be charged a fee of \$20**

**Students electing to undertake re-training with TIV as fee paying students in units for which they have previously been graded NYC will pay:**

- **\$150 Administration Fee;**
- **A negotiated fee per unit agreed to by the student before the commencement of such training subject to the maximum total pre-paid fee limit of \$1,500**

**All enrolments are subject to a cooling off period which expires either:**

- (a) 10 business days after the date of the enrolment; or**
- (b) On the commencement date of the training program where the number of business days between the dates of enrolment and commencement is less than 10 days**
