

# Certificate III in Bricklaying/Blocklaying CPC30111

## ▼ Course Information

The (CPC30111) Certificate III in Bricklaying/Blocklaying qualification is ideal for both men and women who intend to pursue a career as a Bricklayer/Blocklayer through an Apprenticeship.

- *Bricklayer*
- *Blocklayer*

### BUILD YOUR FUTURE

As an Apprentice, you will develop your professional bricklaying and blocklaying skills including skills to observe, analyse, evaluate and undertake bricklaying projects **as if you were the Bricklayer/ Blocklayer**.

#### Course Duration

Typically, this Apprenticeship will take three (3) years to completion; less if you show you are acquiring all the necessary skills and knowledge in a shorter time frame.

The majority of your training will occur in the workplace, overseen by your employer and assessed by TIV's qualified Assessors. In addition, you will also attend TIV's Trade School two (2) days per month over ten (10) months of the year to ensure you have a well-rounded experience of bricklaying, particularly in providing opportunities to practice skills that may not be available in your workplace.

#### Student Support

Our motto is "no one gets left behind".

In addition to the TIV's Assessors scheduled contacts, they are also available to provide additional support to you and your employer to ensure that extra assistance is available whenever needed.

#### Is The Course Subsidised?

**YES.** This course is delivered with Victorian and Commonwealth Government funding for eligible individuals. Call us today to discuss your eligibility.

#### Units of Delivery

The following units must be successfully completed to be awarded a (CPC30111) Certificate III in Bricklaying/Blocklaying

CORE UNITS	UNIT TITLE
