

Domestic Builder - Limited Essentials Short Course

▼ Course Information

This short course covers the four units of competence you will need to apply for registration and a Domestic Builder - Limited.

BUILD YOUR FUTURE

Our DB-L Essentials course comprises just four units. It is completed online through TIV's live Virtual Classroom, and is perfectly suited to those who've completed their Certificate III trade qualification. This short course covers the required units of competency (outlined in the Building Regulations 2018) to prepare you to apply for Domestic Builder-Limited registration.

Course Duration

• The course duration is five (5) days, with training taking place every two weeks on a Saturday from 9am to 3pm, with a half hour break during the course of the day. These units are delivered online via TIV's Virtual Classroom.

Student Support

Our motto is "no one gets left behind". We run tutorial sessions every Saturday morning and some Monday afternoons. Any student can participate. The Student Support Team can be accessed directly for any additional training by any student, or by referral by their trainer. S

Course Checklist

- You are eighteen (18) years or older
- You have three (3) years or more experience in the building industry.
- Have a laptop with Microsoft office programs (or equivalent) and internet access for the duration of the course
- Can read, write and speak English competently

Is The Course Subsidised?

No. This course is not a subsidised course. If you are after a government subsidised course you can try our CPC40120 - Certificate IV in Building and Construction.

Units of Delivery

The following units must be successfully completed to complete the DB-L essentials course:

| CORE UNITS | UNIT TITLE |
|------------|--|
| CPC40120 | Select and prepare a construction contract |
| CPC40120 | Produce labour and material schedules for ordering |
| CPC40120 | Apply legal requirements to building and construction projects |
| CPC40120 | Arrange building applications and approvals |
