

CPC30220 - Certificate III in Carpentry

▼ Course Information

TIV's CPC30220 - Certificate III in Carpentry is ideal for men and women who intend to pursue a career as a Carpenter through an Apprenticeship.

- Carpenter
- Foreman
- Leading Hand

BUILD YOUR FUTURE

As an Apprentice, you will develop your professional carpentry skills to observe, analyse and evaluate various building operations and processes **as if you were the Carpenter.**

Course Duration

Typically, this Apprenticeship will take three (3) years to completion; less if you show you are acquiring all the necessary skills and knowledge in a shorter time frame.

The majority of your training will occur in the workplace, overseen by your employer and assessed by TIV's qualified Assessors. In addition, you will also attend TIV's Trade School two (2) days per month over ten (10) months of the year to ensure you have a well-rounded experience of carpentry, particularly in providing opportunities to practice skills that may not be available in your workplace.

Student Support

Our motto is "no one gets left behind".

In addition to the TIV's Assessors scheduled contacts, they are also available to provide additional support to you and your employer to ensure that extra assistance is available whenever needed.

Is The Course Subsidised?

YES. This course is delivered with Victorian and Commonwealth Government funding for eligible individuals. Call us today to discuss your eligibility.
