

CPC40120 - Certificate IV in Building and Construction Building Stream

▼ Course Information

TIV's CPC40120 - Certificate IV in Building and Construction course is designed with input from residential and commercial builders. This ensures that we are up to date with current requirements, standards and trends. This course is ideal for men and women who have 5 years or more of construction experience and intend to pursue careers in areas such as:

• Site Manager • Project Manager • Estimator • Administrator • Registered Builder*

BUILD YOUR FUTURE

This course comprises individual and group activities undertaken at TIV's simulated construction sites, actual construction sites, and in interactive classes throughout the overall program. This course is designed to develop your professional building skills to observe, analyse and evaluate various building operations and processes **as if you were the Builder* or Site Manager**.

Course Duration

This course is designed for industry experienced, busy people. The popular course structure is delivered through:

- Structured classes held six (6) days per week of up to three (3) and a half weeks followed by up to twenty-four (24) weeks of additional training support for those who require it.
- Optional tutorials

Student Support

Our motto is "no one gets left behind".

We run tutorial sessions every Saturday morning and some Monday afternoons. Any student can participate. The Student Support Team can be accessed directly for any additional training by any student, or by referral by their trainer.

Is The Course Subsidised?

YES. This course is delivered with Victorian and Commonwealth Government funding for eligible individuals. Call us today to discuss your eligibility.

Course Checklist

- You are eighteen (18) years and older
- At least five (5) years of Construction experience is required.
- Have a laptop with Microsoft office programs (or equivalent) and internet access for the duration of the course
- Can read, write and speak English competently

Units of Delivery

The following units must be successfully completed to be awarded a CPC40120 - Certificate IV in Building and Construction:

We Will Supply

- Electronic copies of
 - NCC Volume two (2)
 - The Australian House Building Manual
 - Guide to Standards and Tolerances 2015
- Electronic copies of
 - Various Codes, Standards, manuals, learner guides, plans and specifications
 - Forms and templates that can be badged and branded to be used for your own future use

Future Pathways

After completing your Certificate you may decide to further your training in other Certificate or Diploma courses in:

- CPC50220 - Diploma of Building and Construction (Building)

Locations

Courses are available throughout Victoria. If location is an issue we also offer remote learning through a Virtual Classroom.

BUILD YOUR FUTURE ...
