CPC30220 - Apprenticeship Certificate III in Carpentry

Build Your Future

At TIV, apprentices attend our trade school for two consecutive days each month over a 10-month period each year. Our seasoned trainers, who bring extensive industry expertise, lead these sessions. They provide ongoing support for your on-the-job training through regular communication with both you and your employer.

Our carpentry program is designed for flexibility, allowing apprentices to work, earn, and learn simultaneously at their place of employment. This ensures that training remains practical and relevant to real-world scenarios.

Course Highlights:

- Classes take place in TIV's state of the art facilities.
- Experienced industry training and knowledge.
- Improve job prospects in the building industry.
- Gain hands-on experience as a carpenter.
- Ongoing student support.
- Electronic copies of - various codes, standards, manuals, learner guides, plans and specifications will be supplied.
